Alderman Elliott called the Police Committee Meeting to order.

Elliott stated that we will be talking about the parking tickets and turned over to Attorney Konzen.

Konzen stated we have an alternative ticked program; instead of going through the circuit with a judge we have administrative process where the administrative law judge will meet here at 4 p.m. every Monday. We will have to appoint a traffic administrator; then create a procedure for non residents; create parking tickets with no info on the person on them; also we will have to give notice to the person that owns the car. These are some of the highlights.

Motion by Elliott, second by Petrillo to give the Attorney Konzen and the Chief the authority to start drafting the Ordinance for the parking tickets. All Voted Yes. Motion Carried.

Motion by Elliott, second by McDowell to adjourn the Police Committee Meeting. All Voted Yes. Motion Carried.

Meeting Adjourned.
